Newport Wampus Cats Blow Up, Jasper Wins 19 to 4.

The Jasper ball team hung the grape on George Welch's ball team Sunday at the fairgrounds here to the tune of 19 to 4. The Newport boys have really played some good ball this year and it is the same team that put Lamar off the map 16 to 0. Jasper gave them a good beating here earlier in the season and the boys from Newport were aching for revenge, but instead of getting revenge they got another unmerciful drubbing. Jasper made four scores in the first inning and added to this whenever they got ready. Hackney who was pitching for the Newport boys pitched a poor game but Walter Johnson in his balmyest days could not have won the game with such support as Sam got. Every man on the team made a brace of errors. Shortstop Egbert and Norman Martin at first made a big fat one every time they got a chance. That is just a little too strong as Norman did make two nice one-handed catches at the wind-up of the game, but some hard hearted fan said it was an accident as he did not know he had it. Young Hardaway, a 16-year-old lad, pitched for Jasper until the game was sewed up, then Quillin finished the slaughter. Len does not claim to be a pitcher but Newport could not hit him. Lard Arner starred at the bat, ripping out five hits at five times at bat, the boy probably inherited his ball playing proclivities from old Lank who was one of the best ball players that ever donned a uniform in this part of the country.—Lamar Republican.

Trades Day Good Day All Around.

The September trades-day sale last Saturday made a lively day in Jasper. From about noon until 9 or 10 at night the town was crowded.

The auction sale totaled right at \$1000 and was considered a good sale under the present conditions. The registered hogs brought 10 or 11 cents a pound and some good ones were sold.

The stores were crowded all afternoon and evening, the special trades-day bargains at the stores being really about the biggest feature of the monthly trades day.

Next trades day will be Saturday, October 1.

Miss Hattie Rand started in school at Joplin Business College Monday. Miss Hattie was valedictorian of the graduating class here last spring.

Mrs. W. B. Cavenee was called to Willow Springs last week by the illness of her daughter, Mrs. Fred Phillips. The latter is not considered seriously ill.

George Campbell is now sole owner of the Jasper Auto Supply, he having bought Mr. Sanders' interest. Mr. and Mrs. Sanders expect to move to Kansas before long.

Tanlac has the largest sale of any medicine in the world. Over Twenty Million bottles have been sold in six years. No other medicine has ever approached it as a seller. H. F. Pitts.

Mrs. W. E. Hyder and family, who spent the summer in Tulsa, Okla., returned to Jasper Saturday. Miss Hattie Hyder is teaching Farmers Union school and commenced Monday morning.

R. G. Sanders and wife entertained C. J. Cole and wife and Ralph Maynard of Carthage over Sunday. Mr. and Mrs. Cole recently returned from Spirit Lake Iowa, where they spent the summer.
